Alternative assets in focus

- Preqin is the only data provider dedicated to the whole alternative assets industry. Our coverage includes the private equity & venture capital, private debt, hedge funds, real estate, infrastructure, and natural resources asset classes.

Investors in funds: tracking what matters

- Our approach dictates that we track investors based on their actual investment decision-making process, NOT counting multiple subsidiaries based on their legal structure.
- For example, major insurance companies may have 50 or more subsidiaries, but all investments are made via the same personnel at the parent-firm level. We do not count investors at the subsidiary level when assets are pooled – we track

Our research teams are growing
